REGIONAL HOUSING WORKSHOPS

*Coming to a location near
you!*

Telephone: (309) 298-2282

Regional Workshops

These workshops are being offered as a follow-up to the statewide Rural Housing Conference held in December 2001. The goal of the workshops is to provide local leaders and interested community members with the tools needed to plan for growth, assess housing need, and develop or improve housing in their communities.

The day long workshops include general sessions on: why affordable housing is important, doing housing needs assessments, planning with a focus on what community leaders can do to facilitate the development of housing, and, an introduction to the development process. In the afternoon participants can attend breakout sessions on housing rehabilitation and the importance of good design. The day will end with a session that provides examples of successful housing development in rural Illinois.

ORDER OF THE DAY

- 8:00 - 9:00am **Registration**
- 9:00 - 9:15am **Why Affordable Housing? Can you afford not to?** [Main Room]
- 9:15 - 10:00am **Housing Assessment: What you already know or need to know to grow** [Main Room]
- 10:15 - 11:00am **Planning: Getting ready to grow** [Main Room]
- 11:15 - 12:00pm **Housing Development: Basic steps and programs to help along the way** [Main Room]
- 12:15 - 1:00pm **Lunch with Program Resource People (IHDA, USDA-Rural Development, HUD)**

What populations need housing? What type of housing?

Breakout Sessions: (concurrent sessions)

- 1:15 - 2:00pm **Rehabilitation: Can we fix it? Can we save it?** [Room A] or **Good Design Makes Sense** [Room B]
- 2:15 - 3:00pm **Rehabilitation: Can we fix it? Can we save it?** [Room A] or **Good Design Makes Sense** [Room B]

- 3:15 - 4:00pm **Housing Success Stories in Illinois** [Main Room]

Single-family, multi-family, rehabilitation what is best?
